Congratulations to the Sacred Heart Science Olympiad Team for their performance at the State Tournament at Wichita State University on Saturday April 2nd! They took 5th place in the small school division! Out of ALL the high schools in Kansas Sacred Heart ranked 15th.

From the Principal

On behalf of the entire faculty and staff, I would like to share our deep appreciation and gratitude to all those who devoted time, energy and resources to make our 2022 Charity Auction a success. It was certainly satisfying to see so many gather for a common cause. Our Itemless Items, which included classroom technology and smartboards for classrooms, football scoreboard and sound system for our gym and cafeteria, was a tremendous success. The entire evening was blessed with a wonderful expression of stewardship as well as commitment to our catholic schools. Thank-you!

With the end of the school year fast approaching, we want to share our appreciation to all the parents, volunteers and supporters of Sacred Heart Jr/Sr High School. It is only with everyone's help and support that we are able to provide the vast array of educational and spiritual opportunities for our students. During the last few weeks of the year, we will host a variety of events and activities to commemorate the school year. Specific details for each program are located in this newsletter. Please make plans to join us!
