From the Principal

We are excited to begin our 7th week of in-school instruction. The cooperation of our parents, students and staff in following all re-opening guidelines has been absolutely phenomenal and is most appreciated. With that being said, our fall parent/teacher conferences are fast approaching and are scheduled for the evening of October 20th from 6:00-8:00 and the afternoon and evening of October 21st 3:00-8:00. Please see the detailed schedule and the guidelines on page 4. Conferences will again take place in the teacher's individual classrooms instead of the cafeteria. A table will be set up in the main entrance for parents to sign in and pick up their students grade report before preceding to see individual teachers. We ALL look forward to this time to visit with you and discuss your children and their education. We do ask that you respect the time of those waiting to speak to the teacher, and observe an 8-10 minute limit for your conference time. Limited seating will be available outside of each classroom for waiting, but we do need to keep things moving smoothly.

As a part of our ongoing school improvement and accreditation process we will be conducting survey's with our students, staff, and parents. Sometime in the next week, we will be sending out the survey link to all parents. This online survey consists of approximately 20 questions. Your time and participation is most appreciated.
