XI.	<p>Committee Reports / Recommendations</p> <ul style="list-style-type: none"> • Building & Grounds- Gregg Weiss-working on plates for beams so the splitting of the wood on the beams stops. He is getting written quotes and negotiating. Need 6 more plates. • Concession stand-discussions on what we want to do. Options for locations. Tyler Bogart will help with design and present option. There are 2 places being discussed but we are leaning on the area deemed "Fr. Brian's office" (across from teacher's lounge) as the other location (by the statue of Jesus) would entail needing a structural engineer involvement and removal of walls. Advantages are that we can shut off one hall, decreasing opportunity for mischief. Will need electrical evaluation of Fr. Brian's office but should be simple as the electric panel is right there. A design will be put together by Tyler and Gregg. Discussion about food items-we will continue with hamburger sales because we make decent money and people are willing to grill. Much easier to find grillers than concession workers. Setting up and cleaning up of the concession stand has been complex. Keeping all the items in one location when we move to the new location will make it easier and hopefully more people will volunteer. • Popcorn machine is broken. • Catholicity-Susan Williams-no report

	<ul style="list-style-type: none"> • Recruitment/Public Relations –Angela Bogart-talking and with new GS principal. Might be good to invite GS rep to come to our COE meeting as well as having a rep go to St. Mary COE. Geoff said Tym will meet with staff and Nick John K reached out to Tym. • People are very excited about continued development of a working relationship between schools. Goal to grow. Some ideas to continue development was to share teachers, kids going back and forth for cafeteria. • Curriculum-Jennifer Perrin-no report •
