From the Principal

As we begin our journey into the winter sports season we often like to take advantage of the halftimes during high school games to recognize and celebrate important events, recognitions and achievements.

Last Friday, we were finally able to recognizing our 2020 Girls State Tennis Championship by presenting the State Championship banner during halftime of the boys' game. Covid prevented us from properly recognizing the team last year. On Thursday January 6th, we will recognize the 2021 Boys Golf team and present their State Championship banner. On Friday, February 11th, the Spirit Team will host Spirit mania, Then on Tuesday, February 22nd we will recognize the senior basketball players and the senior members of our spirit squad and their parents.

On a final note, please remember throughout this busy season to take time to reflect on how Jesus came to earth and how he promised to come again in glory to being all his people to God. Advent should be a time of anticipation, not anxiety. It is unfortunate that the pace of family and school activities can sometimes be the most hectic during this time. Please remember to take time with your family to remember the joy and wonder of Jesus' birth. From the entire staff of Sacred Heart Jr-Sr High School, we wish you a very Merry and Blessed Christmas.
